

Supreo / Supreo Select

The new level of Excellence.

The new Supreo combines reduced, clear design and technical sophistication in a shower toilet that meets the highest expectations. With its extensive functions, Supreo leaves nothing to be desired. The comfort functions include various shower spray types, including HarmonicWave 2.0, as well as the SupremeDry dryer, AmbiLux lighting and automatic odor extraction. Everything can be individually adjusted using the remote control or Supreo app. Perfection is available in two versions: Supreo for uncompromising hygiene to make you feel good and Supreo Select for those who want to treat themselves to the best and more. Supreo Select offers maximum comfort with seat heating, EcoMode and automatic opening.

Design and functionality in perfection

- + With its elegant and purist lines, Supreo blends into any aesthetically sophisticated bathroom design
- + Precise workmanship and premium quality thanks to high-quality material combinations of ceramic and duroplast
- + Invisible Jet technology: the two nozzles are perfectly integrated - hygienic and easy to clean
- + Available in White Alpin and Pure Black

Multiple shower functions and maximum hygiene

- + Patented HarmonicWave 2.0 shower technology: combination of oscillating and rotating movement
- + Individual adjustment of temperature, intensity and nozzle position
- + Cleaning the shower nozzle with water before and after use; disinfecting the water and nozzle with UV light every 24 hours
- + Rimless WC with vortex flush technology and dirt-resistant CeramicPlus
- + Integrated odor extraction, descaling function and dirt filter

Perfect comfort thanks to additional features

- + SupremeDry function: the dryer nozzle extends to provide a targeted airflow for fast, efficient drying
- + AmbiLux: atmospheric lighting and night-time orientation guidance
- + Supreo Select: seat heating for pleasant warmth, adjustable to 5 levels
- + Supreo Select: Automatic opening and closing of the lid & seat

Optimized handling and efficient maintenance

- + Integrated user detection prevents accidental starting of the shower or dryer function during cleaning or maintenance
- + Extremely simple, intuitive operation via remote control & Supreo app
- + Packaging with integrated mounting aid for easier installation
